

[illegible][illegible]

Technical drawing of a road layout. The drawing shows a road with a dashed center line and solid edge lines. Two callouts are present:

- Callout 15:** Located on the left side of the road. It shows a road labeled "RUE DE PHNIE" with a "RUE DE PHNIE" label. The road is shown with a dashed center line and solid edge lines. The callout is labeled "15" in a red circle.
- Callout 2:** Located on the right side of the road. It shows a road labeled "RUE DE PHNIE" with a "RUE DE PHNIE" label. The road is shown with a dashed center line and solid edge lines. The callout is labeled "2" in a red circle.

The drawing includes a scale bar from 0 to 20 meters and a north arrow.

Figure 1 is a map of the study area. The map shows the location of the study site (red dot) and the location of the study area (red rectangle). The map includes a scale bar (0 to 15 km) and a north arrow. The study site is located in the central part of the map, and the study area is located in the northern part of the map. The map also shows the location of the study site (red dot) and the location of the study area (red rectangle). The map includes a scale bar (0 to 15 km) and a north arrow. The study site is located in the central part of the map, and the study area is located in the northern part of the map.
